Hello I received some emails indicating that some of you are still having trouble registering for courses. I have checked with Anne:

ARH-783 w/ Broderick is available for Janine and Kim

ART-742 (meets with ART-350) has 5 seats available for grads.

ART-710 section 81 with Carellas is available

Those that are having difficulty, pleas try again and if you are still having problems let me know. I would like to take care of this right away
