CENTER

CITY UNIVERSITY
OF NEW YORK

■ Become an expert at analyzing big data to address pressing policy and social science issues.

■ Learn from top faculty from throughout CUNY whose expertise spans sociology, political science, public health, educational psychology, and more.

■ As a public institution, we offer a world-class education at a fraction of the cost of comparable universities.

■ The curriculum is 30 credits. Students can tailor their learning to their interests through four optional concentrations.

■ Our midtown Manhattan location and flexible class schedules make the program convenient for busy students.

■ The program is designed for experienced professionals and recent college graduates.

■ Graduates are set to excel in public policy, marketing, social services, education, technology, health care, and more. They are also well prepared for doctoral study.

■ All applicants for all master's programs at The Graduate Center will be considered automatically for Dean's Merit Scholarships. For more information, see www.gc.cuny.edu/mascholarships.

Admissions

Students with a broad range of academic backgrounds are encouraged to apply.
