This is an extension of <https://redmine.gc.cuny.edu/issues/8425>, if that helps. Thanks!

- Category name set to WordPress Themes
- Status changed from New to Resolved
- Target version set to Not tracked

I've enable the theme for the site. Let me know if there are issues.

Ned Benton writes:

I am setting up a site to support students in the JJCCJ MPA Capstone.

The site is:

<https://jjcmpa771.commons.gc.cuny.edu/>

I have a theme installed at several other sites I maintain and I would like to have it available for this site. It is "Magazine Premium" and it is already accessible on this site:

<https://nyslavery.commons.gc.cuny.edu/>

Could you please make it accessible on the jjcmpa771 site?

Enabled.

How many sites are covered by this license? He's about to ask for two more. (URLs pending.) Thanks!

- Status changed from Resolved to New

More info from Ned:

"This is Faculty Senate

<https://johnjaysenate.commons.gc.cuny.edu/>

This is Public Management Advisory

<https://pmia.commons.gc.cuny.edu/>

My understanding of the situation is that I have paid for the license for this theme. The terms of license are:

All premium licenses costs \$69 USD (United States Dollar) per theme and come with the right to use that theme on an unlimited number of websites, future upgrades and 1 years worth of access to support."

LMK if you need more info - also if I should make this and future requests a separate ticket. Thanks!

Seems fine to me, though IANAL. Let me know when you have more URLs.

He now says "I made a mistake about the URL for the Public Management Advisory. It is: <https://jicpma.commonsgc.cuny.edu/>"

I've enabled the theme for both sites.

Ned Benton writes:

"I request an additional site: njslavery.commonsgc.cuny.edu – this site will be like the NY Slavery site but will have New Jersey records.

I need to have the Magazine Pro theme that is already installed at the NY Slavery site also installed at the NJ slavery site. I have an unlimited license for this theme."

- *Status changed from New to Reporter Feedback*

I'm happy to enable the theme for the site, once it exists. Please have Ned create the site and report back.

#12 - 2019-10-29 06:29 PM - Marilyn Weber

Confirmed - Site is created: njslavery.commonsgc.cuny.edu

Thanks. The theme has been enabled for that site.

Once again I'm unsure whether to revive a tick or start a new one. Ned Benton would now like the Magazine Premium theme added to UFSBAC.commonsgc.cuny.edu

The theme has been enabled for that site.
