Description			
Hi Boone,			
The JITP is ready for a clone of its media library for December 2018 & January 2019 from the JITPstaging site to the JITP production site.			
Thanks so much in advance for your help on this when you're back at work, and let me know if you need anything from me!			
All my best,			
Patrick DeDauw JITP Managing Editor

Hi Patrick - I've synced media files from jitpstaging.common to jitp.common. As in previous tickets ([#9881](#), [#9234](#)), you will not be able to see these items at Dashboard > Media Library, but they will be available via URL. Eg:
