<b>Description</b>			
Natacha Unelus is a former CUNY employee who signed up for the commons with her email address <a href="mailto:Natacha.Unelus@cuny.edu">Natacha.Unelus@cuny.edu</a> . She'd like to take down her profile, but can't reset her password. Can the email associate with her account be set to <a href="mailto:natachaunelus@gmail.com">natachaunelus@gmail.com</a> ? Thanks!
