Description			
Hi Ray,			
The Steering Committee group on the NYCDH site used to have administrators (I believe I was one). but I just checked and now it says there are no admins (please see screenshot). do you have any idea what might be going on? thank you

- Status changed from Assigned to Resolved

There was a problem with the memcached configuration.

Once I changed the memcached server IP to the one that the Commons is using and cleared the object cache, this fixed itself. Bonus is the site should load way faster than before!
