Status:	New	Start date:	2019-09-15
Priority name:	Normal	Due date:	
Assignee:		% Done:	0%
Category name:	Registration	Estimated time:	0.00 hour
Target version:	Future release		
Description			
Explore ways to ensure students know that privacy is under their control. Maybe this is just adding a sentence in the registration process, or if they select the student checkbox, a popup could appear to notify them of their right to use an alias, and that display names can be changed at any time.
