I swear I tested Edge, Marilyn :)

Anyway, I've got a fix ready:

<https://github.com/cuny-academic-commons/cac/commit/b89032a39b63f1648c2a6816ed56b8c9c7822390#diff-3fc3a8e81774059987cf32457935467e>

Surprisingly, this also works in Internet Explorer. This fix will be available for the next maintenance release.

Thanks for catching this, Marilyn!
