<b>Description</b>			
Hi Boone,			
Hope you're doing well.			
The JITP is once again ready for a clone of its media library for May 2020 from the jitpstaging.common site to the jitp.common production site. Thanks so much in advance for your help on this!			
The most recent ticket of this kind is <a href="#">#12177</a> , where there are reference notes.			
Thanks so much,			
Patrick DeDauw JITP Managing Editor

Just completed the migration, and everything worked like a charm. Thank you, again, so much for your prompt and thorough help with this.

Take care,

Patrick
