

CUNY Academic Commons - Bug #1297

Change mySQL password

2011-10-27 09:36 AM - local admin

Status:	Rejected	Start date:	2011-10-27
Priority name:	Low	Due date:	
Assignee:	Boone Gorges	% Done:	0%
Category name:	Server	Estimated time:	0.00 hour
Target version:	Not tracked		
Description			
Use more secure password for mySQL accounts :)			
Very low risk given that the db only accepts localhost connections for this account, but you never know.			

History

#1 - 2011-10-27 12:34 PM - Boone Gorges

- Status changed from New to Assigned

- Target version set to 1.2.5

Good call :) It'll take a few seconds of downtime, so I'll do it during the next upgrade.

#2 - 2011-11-17 04:27 PM - Boone Gorges

- Target version changed from 1.2.5 to 1.2.6

#3 - 2011-11-17 04:28 PM - Boone Gorges

- Target version changed from 1.2.6 to 1.3

#4 - 2011-12-15 11:00 AM - Boone Gorges

- Target version changed from 1.3 to 1.3.1

Turns out I can't do this without an admin/root MySQL user. Let's talk about it after I'm done with the upgrade; we'll have to coordinate.

#5 - 2011-12-19 10:20 AM - Boone Gorges

- Target version changed from 1.3.1 to Not tracked

#6 - 2014-05-01 03:12 PM - Boone Gorges

- Category name set to Server

- Status changed from Assigned to Rejected

Given the pragmatic issues related to timing this change now that André is no longer around, I'm going to reject the ticket as unnecessary.
