Is the google translate plugin available for academic commons sites? If not ... is there another similar plugin or would it be possible to gain access to the google translate plugin?

- Category name set to WordPress Plugins
- Status changed from New to Reporter Feedback
- Target version set to 1.17.2

I see a couple of popular plugins that advertise integration with Google Translate. See <https://wordpress.org/plugins/search/google+translate/>. Perhaps the user could have a look and see which of them does the kind of integration needed?

She'd like this - <https://wordpress.org/plugins/gtranslate/>

Thanks for considering it.

- Status changed from Reporter Feedback to Staged for Production Release

I've added the plugin in <https://github.com/cuny-academic-commons/cac/commit/39c995cf8f7949e2ac77046319a3c83ff63c1bbf>. It will be available to activate after today's release.
