

## CUNY Academic Commons - Feature #13370

### Library bulk deletion and folder editing

2020-09-24 12:20 AM - Colin McDonald

<b>Status:</b>	New	<b>Start date:</b>	2020-09-24
<b>Priority name:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Boone Gorges	<b>% Done:</b>	0%
<b>Category name:</b>	Group Library	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	Future release		
<b>Description</b>			
<p>Breaking this off of <a href="#">#12821</a> where I mentioned our Sept group meeting discussion about the need for bulk deletion of Library items, especially with group cloning coming in <a href="#">#13198</a> -- choosing a simpler cloning approach there, and bringing over all admin-created Library items, may necessitate some post-clone cleanup of items pulled over but not relevant to the new group. Enter bulk deletion, where the cloned group's admin can prune away.</p> <p>It would also be useful to be able to change the folders of items in bulk, though I believe there are difficulties here because an item can only be in one folder at a time, so there may be some work to enable changing multiple items in multiple folders to all be in the same folder.</p>

#### History

##### #1 - 2020-10-07 06:51 PM - Sonja Leix

Colin,  
did we decide this should be part of this release or pushed to the next release. It seems this might change a few things and maybe it's better to push to the next release? Boone?

##### #2 - 2020-10-07 06:54 PM - Boone Gorges

Yes, we should definitely push it off.

##### #3 - 2020-10-08 11:02 AM - Colin McDonald

Works for me, I'll keep it in the queue.
