

CUNY Academic Commons - Bug #14735

Change "clean up" button link for cloned groups

2021-08-30 11:05 AM - Colin McDonald

Status:	Resolved	Start date:	2021-08-30
Priority name:	Normal	Due date:	
Assignee:	Jeremy Felt	% Done:	0%
Category name:	Group cloning	Estimated time:	0.00 hour
Target version:	1.18.18		
Description			
I think that the button one sees after cloning a group (see "Clean up your cloned Group" attached) should be pointing to this documentation: https://help.commonsworld.org/cuny-edu/clean-up-after-group-cloning/ But for the example in my screenshot, it points here right now, or the same as the general confirmation page: https://commonsworld.org/groups/ccctest/?created=1
