### Custom status type on redmine

2010-03-16 10:27 AM - Boone Gorges

<b>Status:</b> Resolved	<b>Start date:</b> 2010-03-16
<b>Priority name:</b> Low	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category name:</b> Redmine	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Description</b> I think it's possible to customize all of the fields here on Redmine, right? I'd like to have another option under Status called "Hold", which I would use for items that can't be solved immediately but have been looked at and assigned.
