- Status changed from Assigned to Resolved

Added in <https://github.com/castiron/cac/commit/dd3f8700e2f945af8b9077d8221d063419a4fb15>

Note that, if at some point in the future the Commons rolls out some sort of networkwide calendar/events solution, it's likely that content created with the Events Manager plugin will not be migrated over. It'll still work, of course, but it won't be integrated with the rest of the site.
