Target version:			
Description			
just created a hidden test group. It's listed on the front page. I also see it on the sitewide news feed when I filter for my groups; not sure if it's viewable by others (shouldn't be).

- Status changed from Reporter Feedback to Resolved

gotcha. We should add this to the FAQ or something, since people who create hidden groups might be alarmed to find their groups in the listing.

Good idea. Maybe you could give the Comm Team a heads up - I don't think they follow along here.
