Description			
Hi Boone,			
In the meeting I thought I recalled you saying to post this through the Commons' Redmine. Apologies if this is in the wrong place.			
Request to Install Google Analytics on commonsinbox.org

Thanks, Dom.

Who originally set up GA for the Commons? Was it me (under my gmail account)? Or is cunycommons@gmail.com the owner? Would be nice to do it the same way.

Not me. :-)

Pretty sure you meant "thanks Brian?"

#3 - 2012-10-25 03:00 PM - Boone Gorges

Whoops :) I had originally written a message to you alongside the message for Brian. Too many balls in the air!

I know the feeling, you should see the mounds of calc notes in front of me right now! I can't even remember which section I'm studying!! LOL

#5 - 2012-11-16 11:42 AM - Sarah Morgano

- Due date set to 2012-11-18

- Category name set to commonsinbox.org

Just an update on this ticket, GA will need to be installed 24 hours before the release.

#6 - 2012-11-16 11:48 AM - Sarah Morgano

- Priority name changed from Normal to High

#7 - 2012-11-16 12:33 PM - Boone Gorges

- Status changed from New to Resolved

Added. Let me know if you need anything else.
