

CUNY Academic Commons - Feature #2362

Add border to showcase images on cbox site

2013-01-01 04:36 PM - Matt Gold

Status:	Resolved	Start date:	2013-01-01
Priority name:	Low	Due date:	
Assignee:	scott voth	% Done:	100%
Category name:	commonsinaobox.org	Estimated time:	0.00 hour
Target version:	Not tracked		
Description			
The images on the showcase page of cbox are kind of running into each other - http://commonsinaobox.org/showcase			
A CSS tweak that would give the images a shadow or border would help differentiate them. Scott, can you look into some options and link to a few of them so that we can decide on one to add to the cbox css file? Many thanks.

- % Done changed from 0 to 100

I believe this is resolved - since we are doing the showcase differently now.
