Description			
Hi Scott --			
Can you please show Erika and Marilyn how to create homepage slides? I may need to give them new roles on the main blog. Erika made this great resource - http://commons.gc.cuny.edu/wiki/index.php/CUNY_on_Twitter - and we should feature it with a homepage slide.			
Thanks,			
Matt

Met with Marilyn awhile back about this. Also wrote up instructions on Community Site doc ==>
