For Zeteo can you:

Tools=>Export=>All

#4 - 2013-06-06 10:41 AM - Stephen Klein

for this site:

<http://zeteojournal.com/>

#5 - 2013-09-19 11:42 AM - Stephen Klein

One last thing.

I am able to for JITP, but for Zeteo, can you run Tools=>Export (need the XML)

Not sure how Zetro publishes. If they publish onto pages or posts, but I need all their 'dynamic content'; however they publish articles.
