Boone, can you please confirm that my answer here (you'll find it as a comment) is correct? Thanks. https://cunycommons.uservoice.com/admin/forums/35103-general/suggestions/4336956-add-john-jay-kingsborough-and-laguardia-to-the-d			

History

#1 - 2013-08-25 06:46 PM - Matt Gold

- Tracker changed from Support to Bug
- Subject changed from User question about positions field to Update Positions to Include Missing Colleges
- Priority name changed from Normal to Urgent
- Target version changed from Not tracked to 1.5.1

Looks like the user is right -- the following colleges do not appear in the Positions dropdown:

CUNY School of Public Health
John Jay College of Criminal Justice
Kingsborough Community College
LaGuardia Community College

Also:

"Guttman Community College" should be renamed "Stella and Charles Guttman Community College"
"School of Professional Studies" should be renamed "CUNY School of Professional Studies"

Putting in 1.5.1, though I hope we can update sooner.
"City College" should be renamed "City College of New York"

#2 - 2013-08-26 08:42 AM - Boone Gorges

- Target version changed from 1.5.1 to 1.5.0.2
- Estimated time set to 0.25 h

#3 - 2013-08-26 09:03 AM - Boone Gorges

- Status changed from Assigned to Resolved

The list is fixed in <https://github.com/cuny-academic-commons/cac-advanced-profiles/commit/80e95c7b05bc5b7595b97a6b07a5a3b1ba8ada5a>
<https://github.com/castiron/cac/commit/3a3cbc8321bbe61e66836ce4a9eb0d3cc21a085a>

At deployment, I'll have to manually modify the Guttman and CCNY taxonomy items in the database, to make sure that they're not incorrectly regenerated with the corrected text.

I've made the necessary changes in the database, and change is live.
