

CUNY Academic Commons - Bug #295

Unable to change Featured Post

2010-08-17 09:34 PM - Matt Gold

Status:	Resolved	Start date:	2010-08-17
Priority name:	Normal	Due date:	
Assignee:	Boone Gorges	% Done:	0%
Category name:	WordPress (misc)	Estimated time:	0.00 hour
Target version:	1.0		
Description			
<p>Not sure what is going on, but I seem to be unable to make a desired change on the Featured widget for the homepage.</p> <p>What I'm trying to do: change from http://groundcontrol.commons.gc.cuny.edu/2010/08/12/hello-world/ to http://groundcontrol.commons.gc.cuny.edu/2010/08/17/letters-from-the-concourse-level/</p> <p>What happens: when I replace the post-slug in the widget, it continues to display the older post.</p> <p>What else I did: tried switching around a bit, first to featured resource and then back to featured post. That didn't help. Then I tried changing the blog (went to news.commons.gc.cuny.edu) and saved and saw a change on the homepage (oddly, it displayed a different post), and then went back to the ground control blog. Still displayed the older post on that blog.</p> <p>Assigning this to Boone but we may want to bring in Michael to troubleshoot.</p>

History

#1 - 2010-08-18 03:54 PM - Boone Gorges

- Target version set to 1.0

It's a bug in the plugin. Fixed in <https://github.com/castiron/cac/commit/0d441a42638d9ee1d984afe49883604953751ffe>

Luckily for you this one will make it into 1.0 :-D
