

CUNY Academic Commons - Bug #3155

Public Portfolio not accessible in edit mode

2014-04-06 08:57 PM - Sarah Morgano

Status:	Resolved	Start date:	2014-04-06

Description			
I was testing the profiles on CDEV and noticed that when you are logged in and visiting your profile, once you switch to "Commons Profile" the "Public Portfolio" tab is not accessible. This doesn't happen when you are logged out. I think that the editing button might be cutting off the top part of the page.
