

CUNY Academic Commons - Bug #3205

Email profile field not showing up

Category name:	Commons Profile	Estimated time:	0.00 hour
Target version:	1.6.3		
Description			
George Otte noted that the email field is not showing up on profiles, and I have confirmed this on my own profile. Bad timing, as George is presenting on the Commons at the BronxEdTech showcase and was hoping to include a screenshot of his profile. If this is an easy fix, can you please do a hotfix tonight? If not, no worries. Adding George as a watcher so that he can receive an update as soon as this is fixed.
