

## CUNY Academic Commons - Feature #367

### Wiki Search

2010-10-06 06:09 PM - scott voth

<b>Status:</b>	Rejected	<b>Start date:</b>	2010-10-06
<b>Priority name:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>	Dominic Giglio	<b>% Done:</b>	0%
<b>Category name:</b>	Wiki	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Description</b>			
Investigate, and if appropriate, implement two MediaWiki extensions. The first is "Keep Searches" ( <a href="http://www.mediawiki.org/wiki/Extension:KeepSearches">http://www.mediawiki.org/wiki/Extension:KeepSearches</a> ) which addresses Brian's idea of capturing and displaying recent wiki search terms in a cloud. The second would be an interim enhancement to MW search functionality - install a Google search extension <a href="http://www.mediawiki.org/wiki/Extension:GoogleSiteSearch">http://www.mediawiki.org/wiki/Extension:GoogleSiteSearch</a> . This may be replaced at a later time by LucentSearch ( <a href="http://www.mediawiki.org/wiki/Extension:Lucene-search">http://www.mediawiki.org/wiki/Extension:Lucene-search</a> ).			
Here's a listing of MW search extensions, for reference: <a href="http://www.mediawiki.org/wiki/Category:Search_extensions">http://www.mediawiki.org/wiki/Category:Search_extensions</a>

### History

#### #1 - 2010-11-16 05:18 PM - Boone Gorges

- Target version set to Future release

#### #2 - 2012-07-16 12:56 PM - Boone Gorges

- Assignee set to Dominic Giglio

- Priority name changed from Normal to Low

- Severity set to Normal

Dom, this is a MediaWiki issue. Not urgent, but it would be nice to implement some sort of search along these lines. Handle the upgrade first [#1151](#)

#### #3 - 2016-05-31 12:16 PM - Boone Gorges

- Status changed from New to Rejected

- Target version deleted (Future release)

See [#4140](#).
