<b>Description</b>			
Right now, we're scheduled to update BuddyPress to v2.2.0 on February 21st.			
There are some adjustments I need to make to the My Commons code so it will be compatible with BP 2.2.			
I'll get started on these changes after the maintenance update on the 11th. Will also add this to the 1.7.13 milestone once it's been created.
