<b>Description</b>			
Hi,			
I'm looking to update the Meta Slider plugin by adding the Meta Slider Lightbox plugin to the Commons.			
- What's the name of the plugin/theme?			
Meta Slider Lightbox: <a href="https://wordpress.org/plugins/ml-slider-lightbox/">https://wordpress.org/plugins/ml-slider-lightbox/</a>			
- In a few words, what does it do?			
Allows sliders to appear as lightboxes.			
- How is the plugin/theme different from what's already provided on the Commons?			
I'm not finding a good slider solution. If there's one already that you'd recommend, I'd be happy to use it instead.			
- What's the potential impact? Who will use it?			
Murphy Institute Blog			
- Who initially made the request?			
Leah Feder			
- Who is the plugin author?			
Matcha Labs: <a href="https://profiles.wordpress.org/matchalabs/">https://profiles.wordpress.org/matchalabs/</a>			
- Say a little bit about the release history and popularity of the plugin. How many times has it been downloaded? When was it last updated? 2000+ Downloads, Last updated 2015-1-30. Also requires the installation of a Lightbox plugin as described on the plugin page.			
Thanks so much!			
Leah

Did you happen to download one of the compatible lightbox plugins listed on the plugin page? <https://wordpress.org/plugins/ml-slider-lightbox/>

I'm not seeing any of them...

Thanks again,  
Leah

No, I didn't. Can you please point out exactly what you need done so that I can review? Thanks.

Sorry, I should have been clearer in my initial request. The Meta Slider Lightbox plug-in requires the installation of a compatible lightbox plugin in order to work. To that end, can you please include the following in the next update:

- What's the name of the plugin/theme?

FooBox Image Lightbox: <https://wordpress.org/plugins/foobox-image-lightbox/>

- In a few words, what does it do?

Allows for lightbox functionality in Metaslider

- How is the plugin/theme different from what's already provided on the Commons?

Commons doesn't currently have a compatible lightbox plug-in.

- What's the potential impact? Who will use it?

Murphy Institute Blog

- Who initially made the request?

Leah Feder

- Who is the plugin author?

fooplugins:<https://profiles.wordpress.org/fooplugins/> and bradvin: <https://profiles.wordpress.org/bradvin/>

- Say a little bit about the release history and popularity of the plugin. How many times has it been downloaded? When was it last updated? 50,000+ Downloads, Last updated 2015-1-20.

Thanks again!
