

CUNY Academic Commons - Design/UX #4204

Change Avatar/Photo links should jump down the page

2015-06-25 10:09 AM - Samantha Raddatz

Status:	Resolved	Start date:	2015-06-25
Priority name:	Normal	Due date:	
Assignee:	Boone Gorges	% Done:	0%
Category name:	Public Portfolio	Estimated time:	0.00 hour
Target version:	1.9		

Description

When the user clicks on the 'Change avatar' link nothing happens on the top half of the screen, so it is not clear that the bottom of the screen now has information on changing the image.

The 'Change avatar' link (under the image on the 'Edit' page) should jump down to the appropriate spot on the page -- same as when the user clicks 'Change Profile Photo' from dropdown.
