- Priority name changed from Normal to High

#2 - 2015-06-29 08:31 AM - Boone Gorges

- Status changed from New to Reporter Feedback

- Target version set to Not tracked

Hi Seth - Here are the raw numbers. They don't account for "active" members, groups, etc. So they may vary, in the upward direction, from what you see on the front end of the site.

Members: 6524

Groups: 878

Blogs: 2121

Let me know if you need more info.
