<b>Description</b>			
I love our new event calendar feature but find the visual display a bit disconcerting from a usability perspective -- I think that the norm in US circles is to set weeks from Sunday - Saturday, but our calendars go from Mon - Sun. Boone, do you agree and (if so) how might we address this?

- Status changed from Assigned to Resolved

- Target version set to Not tracked

EO inherits the WP setting for "Week Starts On". I've changed it to Sunday for the Commons.

Belated thanks for this. Amazed and happy this was such an easy fix.
