Cool idea. Would it be okay to use the magazine template option on the Canvas theme, and make the stories sliders? And I was thinking what to call the page - is it too corny to call it "Buzz"? Something like that... Or - "In the News" or "Mentions." Any ideas?

Do whatever you think would work best. I like "Buzz" or "Commons Buzz."

I agree, great work scott. A thought, is it possible to order these reverse chronological so the most recent is at the top?

#7 - 2011-03-14 03:39 PM - Matt Gold

I agree that a reverse chronological order would be good. Thanks for your work on this, Scott!

Thanks for the feedback and I have reversed the order. I'll try to keep this updated, but let me know if you see stuff coming. Thanks!
