

CUNY Academic Commons - Bug #5275

Recent posts not appearing on homepage

2016-02-29 12:37 PM - Sarah Morgano

Status:	Resolved	Start date:	2016-02-29
Priority name:	Normal	Due date:	
Assignee:		% Done:	0%
Category name:	Home Page	Estimated time:	0.00 hour
Target version:	Not tracked		
Description			
I noticed that the recent blog posts weren't appearing on the homepage (screenshot attached). Not sure if it's just me.			

History

- Category name set to Home Page
- Status changed from New to Resolved
- Target version set to Not tracked

Thanks for the ticket, Sarah.

It appears that our widget caching tool happened to cache an empty blog activity query. I'm not 100% sure how this might have happened, but I've cleared our APC user cache and things are back to normal, so I'm going to chalk it up to a temporary blip of some sort. Ray, I've copied you as an FYI.
