Target version:	1.9.10		
Description			
A user - Bijan Kimiagar - would like to request a plug-in to use on one or more of my sites on CUNY Commons.			
"Here is the link to the plug-in page: https://wordpress.org/plugins/wp-gallery-custom-links/[wordpress.org] I was unable to find a plug-in that is already installed that provides this function."			
Should I ask him for more info?			

History
