<b>Status:</b>	Resolved	<b>Start date:</b>	2011-02-10
<b>Priority name:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>	Boone Gorges	<b>% Done:</b>	0%
<b>Category name:</b>	BuddyPress (misc)	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	1.2		
<b>Description</b> (originally suggested in <a href="#">#555</a> )  This is disabled by design, so that you don't leave an <b>activity</b> reply. But a quick (and good) fix is to have a Reply link that goes to the topic's Reply box.
