Description

Hi Ray --

I used to have "All Email" set as my subscription setting on the Steering Group <http://nycdh.org/groups/nycdh-steering-group/forum/> on NYCDH, but I noticed recently that I haven't been receiving email. I think that I stopped receiving email a while ago -- Dec 18 is the last message I have in my inbox, though messages have been posted since.

When I visited the site today, I saw that my account was set to "No Email" for the Steering Group. I have no idea how that happened or whether I am the only one to whom this happened.

I changed it back to "all email," which perhaps was a mistake as it will make troubleshooting more difficult. Sorry if that is the case.
