<b>Description</b>			
User Jennifer Poggiali (username: jenniferpoggiali) would like to disassociate herself from moribund sites that she doesn't manage. I'm hoping that's possible. Here are the list of sites:

Thanks!

No, I believe I have to do it.

There is no user with the user name jenniferpoggiali. There **is** a user with the username jenpoggiali. Can you confirm whether this is the intended user?
