| <b>Description</b><br>Hi Ray,<br><br>someone tried to register for NYCDH and reported the following problem:<br><br>" On the registration page for NYCDH ( <a href="http://nycdh.org/create-an-account/">http://nycdh.org/create-an-account/</a> ), I completed the profile form but there didn't appear to be a way to submit the information. Instead, there was the following message regarding a reCAPTCHA—"you must get an API key from <a href="https://www.google.com/recaptcha/admin/create">https://www.google.com/recaptcha/admin/create</a> ." " |                                  |

- Status changed from Assigned to Resolved

Hi Matt,

I didn't reconfigure the older BP reCAPTCHA plugin after the site was brought back up, which meant that attempts to register since then was not possible.

This just gave me an opportunity to code a quick plugin to utilize Google's new Invisible reCAPTCHA API. This should be now up on the registration page.

Going to mark this as resolved, but let me know if anyone runs into any problems.
