I'm Rafay and I work for Digital Scholarship Services at CCNY. We are currently embarking on an OER Initiative and we would like to host future course websites on academic commons. A course site we have made <http://digitalscholarship.cuny.cuny.edu/index/>. A link to learn more about us <http://libguides.cuny.cuny.edu/DigitalScholarship>

Sounds good. Theme installed in <https://github.com/cuny-academic-commons/cac/commit/81796bec43e1f386835c80938e42695f8c44ff20>. I'll make it network-available after the release.

The next release is on the fourth Tuesday of the month, which is March 27, but the item here was part of yesterday's release.
